Sending on behalf of the Safe Navigation Committee:

SAFE NAVIGATION COMMITTEE

PROPOSED HIGH RIVER ADVISORIES TO RIVER PILOTS

Draft Recommendation 03/14/18 @1200

Due to deteriorating conditions in the area of Cubits Gap
The Safe Navigation Committee recommends the following:

1. All pilots should familiarize themselves with the most current surveys
2. **Two vessels with drafts of 40' or greater should avoid meeting in the area from HOP to 1 mile above Old Quarantine Station approximately mile 5.0 AHP,**
3. **Maximum allowable fresh water draft 45'00"**
