SENT ON BEHALF OF THE CRPPA SAFE NAVIGATION COMMITTEE:

PROPOSED HIGH RIVER ADVISORIES TO RIVER PILOTS

Draft Recommendation 03/16/18 @1600

Due to deteriorating conditions in the area of Cubits Gap
The Safe Navigation Committee recommends the following:

1. All pilots should familiarize themselves with the most current surveys
2. **Two vessels with drafts of 40' or greater should avoid meeting in the area from HOP to 1 mile above Old Quarantine Station approximately mile 5.0 AHP,**
3. **Maximum allowable fresh water draft 47'00"**
