GB

**Good Evening Ron,**

**Please distribute in your morning update that effective 0600 on 3/9 the following recommendation is made:**

**“ The towing astern of loaded ocean going barges inbound and outbound Southwest Pass shall cease until the Carrollton Gage reaches 12’ and continues to fall”**

**I will send out this recommendation on official letter head shortly. Thank you and good evening...**

**Greg Bush**  
**President**  
**The Federal Pilots of Louisiana**  
**504-416-6727**
