Date: MAY 02 2016

Liferaft Facility Information

OVERVIEW. Sector New Orleans Officer in Charge, Marine Inspections (OCMI), conducted an inspection on Byrne, Rice, and Turner Liferaft servicing facility located at 1172 Camp Street, New Orleans LA 70130. As a result, the OCMI suspended servicing of all liferafts at this facility until further notice.

DETAILS. If your liferaft was serviced by this company in 2015 or 2016, and has not yet had an annual inspection, it is highly recommended that you contact the manufacturer of your particular liferaft. You can also find a United States Coast Guard approved liferaft servicing facility station near you by visiting <https://cgmix.uscg.mil>.

For additional information, contact the United States Marine Safety Association at (719)-622-1160 or usmsa@usmsa.org.
